## CABARET DECADANSE

Montreal's Cabaret Decadanse features a cast of amazing characters, who deliver breath-taking performances to a haunting soundtrack. It's a rollicking, sassy, **SEXY AND HILARIOUS PUPPET FEAST** for adults, in which the puppeteers are as mesmerising as the puppets themselves. Extraordinarily expressive, these creations are made from stuffed rags and scraps of material and are **BROUGHT TO VIVID LIFE THROUGH THE BRILLIANT choreography of Serge DesLauriers and Enock Turcotte.**
