

"CAMILLE O'SULLIVAN MAKES YOU LAUGH, CRY AND DESPAIR OF HUMAN NATURE WHILE AT THE SAME TIME MAKING YOU WONDER WHAT SHE'S LIKE IN BED"

THE SCOTSMAN

A potent cocktail of Irish charm and French smoulder, with looks to die for and 100% bombshell curves, Camille is a real star. Her impassioned performances hark back to the era of the Weimar Republic, while her extraordinary voice is in a class all of its own. Drawn irresistibly to the dark side, she teases **GREAT DEPTHS OF EMOTION OUT OF SONGS** by eclectic artists and once seen, she is never forgotten.
