

CARL-EINAR HÄCKNER

This famous, marauding Swede joins La Clique in London with his unique and shambolic brand of musical comedy and illusion. You will laugh against your better judgement **AT THIS DELIGHTFUL AND SINFULLY TALENTED COMIC MAGICIAN** Carl-Einar is a classic Shakespearian fool, utterly clueless yet full of brilliantly executed routines. A mega-star in the land of the midnight sun, this lunatic **IS LIVING PROOF THAT THE SWEDES** have a sense of humour beyond exporting white bell-bottom jump suits and 70's pop anthems
