

THE ENGLISH GENTS

Heralding from Australia, Denis Lock and Hamish McCann are two delightfully devilish and cordial "English" gentlemen who perform inconceivable feats of acrobatic skill, strength and balance, whilst casually puffing a pipe, reading the newspaper and sporting the stiffest of British upper lips. THE ACT MIXES THEIR HIGHLY SKILLED FEATS **WITH A DRY ENGLISH WIT**, unexpectedly climaxing with the two hilariously bearing near-all for Queen and country and in the process displaying more pure sex appeal than ever before seen under a bowler hat.

"WITH THE ENGLISH GENTS, CHARACTER COMES FIRST - THE AMAZING FEATS OF STRENGTH AND BALANCE ARE ALMOST AN AFTERTHOUGHT"
