

# CAPTAIN FRODO

The son of a famous Norse magician, this wunderkind has graced the stage since he was four. Possessed of an utterly beguiling charm, and famed the world over **FOR BENDING, CONTORTING AND MANIPULATING HIS BODY** into shapes that are as astonishing as they are unnatural, **FRODO IS ONE OF A KIND.** You will never look at a tennis racquet, much less a baked-bean tin, the same way again.

"NOT EVEN LIONS RIDING ON HORSES COULD MAKE ONE DRAG ONE'S EYES AWAY. THIS MAN IS A GENIUS"
