

"SHE DRAGS CABARET KICKING AND SCREAMING INTO THE 21ST CENTURY"

TIME OUT, NEW YORK

The term 'cabaret diva' is a pathetically inadequate phrase to describe this prima donna chanteuse. Jetting into London for a very special stint at the Hippodrome, Meow Meow (no fixed address) is a star of gargantuan proportions, FAMED THE WORLD OVER FOR HER VIRTUOSIC VOICE AND HER UNCONQUERABLE STAGE presence. Beautiful and sexy, and haunted by a tantalising shadow of darkness, she has seduced audiences WITH HER OWN ANARCHIC BRAND OF vamped-up kamikaze cabaret. Enter her world of cracked cabaret, euro-opera trash, tragedy and **VERY, VERY HIGH GLAMOUR.**
