

URSULA MARTINEZ

"HILARIOUS, DEVILISH AND BRILLIANT"

THE INDEPENDENT
ON SUNDAY

Hailing from Spain via Croydon, Ursula Martinez is a renowned writer, actress and cabaret performer. Her cult striptease act with its **MISCHIEVOUS DISAPPEARING HANKY IS A JAW-DROPPING SENSATION. FROM HIGH BROW TO LOW BROW AND** from live art to loquacious party tricks, Martinez treads where few performers dare to go, with the audience right there along for the ride. Expect to emerge from her act with a rudimentary knowledge of bawdy Spanish and a surprising awareness of anatomy.
